Proceedings recorded by electronic sound recording, transcript
produced by transcription service.

1 THE CLERK: Calling 19-CV-6719, Seoul Semiconductor
2 Co., Ltd., et al. vs. Satco Products, Incorporated. Please
3 state your appearances for the record.

4 MR. EISENBERG: This is Michael Eisenberg of Steptoe
5 & Johnson, LLP on behalf of the Plaintiffs. With me as well,
6 I have Etai Lahav of the Radulescu firm, and Jenny Jonak of
7 Jonak PLC, also on behalf of the Plaintiffs.

8 THE COURT: And for Defendants?

9 MR. BROWN: This is Nick Brown of Greenberg Traurig,
10 with me, Scott Bornstein of Greenberg Traurig and Bob Lynn of
11 Lynn Gartner Dunn.

12 THE COURT: All right. Good afternoon, all. So
13 this is a status conference on 19-6719. Now, this case is
14 really at its earliest stage, and I see that you've all put in
15 a proposed schedule that seems to be consistent with all local
16 rules in terms of being very particular and timing.

17 So I don't really need to talk about this much unless
18 there's something that you want to add to it. Plaintiff, let
19 me hear from you if you need any -- if you want to talk about
20 it at all.

21 MR. EISENBERG: This is Michael Eisenberg again. I
22 don't believe there is anything to be added. Let me just
23 confirm with Mr. Lahav that there was nothing in particular
24 that we wanted to raise with respect to the schedule for the
25 second case.

1 MR. LAHAV: No. I think it's all agreed. So so
2 confirmed.

3 THE COURT: Okay. Anything -- Mr. Brown, anything
4 from you?

5 MR. BROWN: No, Your Honor. We worked it out and
6 are in agreement.

7 THE COURT: All right. Very good. So I think with
8 respect to that one, I can just -- I can so order it. Let me
9 take a look at what I might think about in terms of status
10 conferences, and I'll give you guys enough time to figure it
11 out. If I pick a date and you have a problem, we can always
12 reschedule. We've been doing these kinds of conferences on
13 the phone. Like I said, I'm in the courthouse, but when it's
14 just status conferences, I'm generally doing them on the phone
15 now. So nobody has to be dragged into a courtroom just for a
16 five minute conference.

17 But other than that, I'm here if you need me. Let me
18 know your dates for the other case -- the hearing, and I'll
19 discuss these cases with Judge Brown. All right?

20 MR. EISENBERG: Thank you very much, Your Honor.

21 THE COURT: All right. Thanks everyone for
22 (indiscern.). Thank you, good afternoon.

23 (Court adjourned)
